

NAELEE

TECH

NEW AIR EGYPT

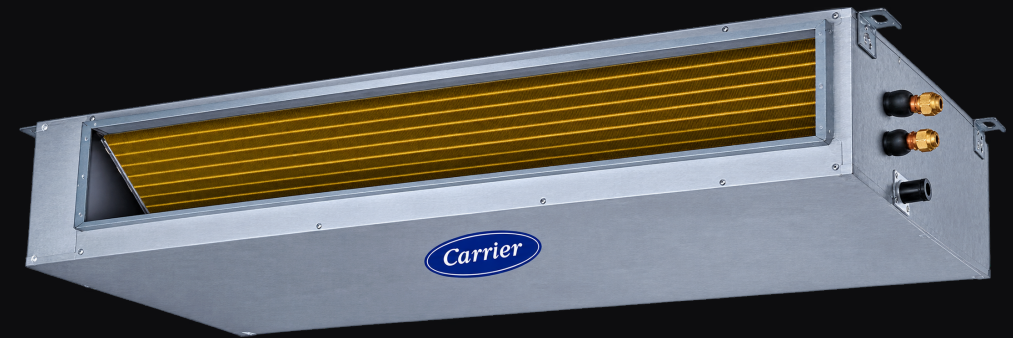

LUXURY ENGINEERING EXCELLENCE

MEP SOLUTIONS FOR VIP PROJECTS

NAELEE TECH delivers integrated engineering, HVAC, refrigeration, marine climate and luxury design solutions for demanding residential, commercial, industrial and marine environments.

OUR CORE FOCUS

- Luxury Engineering
- HVAC & Air Treatment
- Marine Air Conditioning
- Refrigeration Solutions
- Luxury Interior & Architectural Integration
- MEP Contracting & Construction

ENGINEERING & LUXURY DESIGN

ENGINEERING AIR TREATMENT

NEW AIR EGYPT

Precision climate engineering for residential, commercial and industrial environments, with system selection based on building use, capacity, comfort requirements and operating conditions.

- Split, concealed and ducted systems for villas and palaces.
- Commercial central AC and ventilation solutions.
- Central AC systems for large facilities.
- Ventilation and fire-fighting integration.
- Industrial HVAC, humidification and air treatment.
- Cold rooms, cooling, freezing and processing.

NEW DESIGN

LUXURY NATURE

Luxury Nature combines engineering performance with biophilic design principles, integrating climate systems into architecture rather than treating them as an afterthought.

- Biophilic design
- Luxury interiors
- Architectural integration
- Premium HVAC
- Sustainable luxury
- Quiet and visually integrated systems

SOLUTIONS

NEW AIR WAVE

MARINE AIR CONDITIONING

Specialized marine climate engineering for environments affected by humidity, salt, vibration, limited space and demanding operating conditions.

- Marine AC for boats and fishing vessels.
- Luxury climate control for yachts and superyachts.
- Commercial vessel and offshore HVAC.
- Marine water treatment and fire-fighting.
- Soundproof generator solutions.

HVAC & REFRIGERATION

PARTS • EQUIPMENT • DIRECT SALES

A product-focused division connecting customers with HVAC equipment and refrigeration components through technical product information, selection and direct sales support.
